

**Testimony of Aileen Sullivan  
Appropriations Committee  
February 18, 2016**

**My name is Aileen Sullivan and I am a resident of Torrington, CT. I live currently at the Torrington Towers. I am writing this to express that if it wasn't for legal aid that I may not have an apartment today.**

**I received legal aid from Connecticut Legal Rights Project (CLRP) and was able to get an apartment preventing me from being homeless. I was looking at relocation or possible homelessness. Since I knew nothing about the legal housing I wasn't sure if I could get an apartment at the Towers.**

**I contacted CLRP and spoke frequently to Attorney Katrina Cessna and her paralegal and with their help I am not homeless.**

**CLRP is a great resource.**
